PRODUCT MEASUREMENTS

| OSFA                    |       |
|-------------------------|-------|
| Bill/Visor Length       | 2 3/4 |
| Crown Height            | 6 5/8 |
| Width of Front Panel(s) | 7 1/4 |

**Bill/Visor Length:** Measure from outside edge of bill to crown seam at center front.

**Crown Height:** Measure from middle of button at top, to brim seam along center front.

**Width of Front Panel(s):** Measure from side seam to side seam along bottom of crown (where bill meets crown along seam).

SIZE CHARTS

| OSFA      |                |
|-----------|----------------|
| Hat Size  | 6 5/8- 8       |
| Head Size | 20 7/8- 25 1/8 |

HOW TO MEASURE

HATS

Measure the circumference around the head, above the eyebrow and at the widest part of the head. Divide number by 3.14 for hat size.

## COLORS

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |
