

Safety, Safety, What Do You See?

I see **four red fire trucks**, a **ladder** and a **toy badge** for me. I see the words **fire** and **safety** and a nice spotted **Dalmatian**; look to your left to see a **firefighter** standing in formation. A **whistle** and a **flashlight** are not all; find the numbers **9-1-1 four times**, although one may be small. A **yellow fire hydrant** is not far from a special red symbol called the **Cross of Maltese**; a sign of courage, honor and integrity.
